

Mercado San Agustin

Tucson, AZ

\$2.4 Million for Sustainable Small Business Marketplace

Mercado San Agustin is Tucson's only small business public marketplace offering local artisan shops, restaurants, and weekly farmers markets.

Clearinghouse CDFI financed a \$2.4 million loan for Mercado San Agustin to continue serving the distressed area of Tucson with local goods. The marketplace fosters small business growth and functions as a "green facility" by incorporating solar paneling and water conservation.

This project is one of Clearinghouse CDFI's first lending projects as part of our expansion into Arizona and New Mexico.

Clearinghouse CDFI addresses unmet credit needs in California, Nevada, Arizona, and New Mexico.

We bridge the financing gap between conventional lending standards & the needs of low-income and distressed communities.
