\$1.2 Million in Refinancing Preserves School for Children with Emotional Distress and/or Learning Disabilities

EKO Multi-Purpose Center is an alternative program to traditional schooling with a curriculum tailored to the needs of each child.

Each student is referred to EKO Multi-Purpose Center by the Los Angeles School District and is diagnosed with learning disabilities and/or are emotionally distressed. The school currently holds a successful track record of high school graduates.

Clearinghouse CDFI addresses unmet credit needs in CA, NV, AZ, NM, and Indian Country in the Western United States.

We bridge the financing gap between conventional lending standards & the needs of low-income and distressed communities.
