## **\$6.8 Million Loan Supports Charter School Expansion in Albuquerque's Sawmill District Redevelopment**

Tierra Adentro of New Mexico (TANM) is a public, arts focused charter school serving grades 6-12 in Albuquerque, NM. TANM offers quality education while also facilitating a deep understanding and practical application of New Mexico's cultural roots and traditions.

Clearinghouse CDFI provided \$6.8 million in financing for TANM to construct a new school building to replace the existing facility.

Construction of the new building will expand TANM's enrollment capacity. The new facility will accommodate a total of 350 students and help TANM to better serve the local low-income population.

**Clearinghouse CDFI addresses unmet credit needs throughout the U.S. and in Indian Country through direct lending, equity investments, and financial assistance.**

We bridge the financing gap between conventional lending standards & the needs of low-income and distressed communities.
