📍 23861 El Toro Road, Ste. 401
Lake Forest, CA 92630

Constantine recently joined the Clearinghouse CDFI team with an extensive background in Consumer Finance. He is a Cal State Northridge graduate—Go Matadors! Constantine is open minded and firmly believes that action always trumps intent. He loves to travel and build new friendships. These principles lead his dedication, commitment, and passion for what matters.

Under the vision and guidance of Michelle and Justin in Loan Servicing, Constantine assisted the transition of the department's document county recording process from paper to digital, resulting in improved processing time, document monitoring, and custody accountability. Constantine is pleased to be part of the Clearinghouse CDFI team and looks forward to making more meaningful contributions to the company while absorbing pertinent knowledge of the industry.
