## **\$600,000 in Financing Helps Cultivate Safe & Accessible Housing for Adults with Behavioral Support Needs**

**Brilliant Corners** is a nonprofit organization that cultivates safe and accessible housing for individuals with developmental disabilities and special needs. These individuals—often low-income and facing homelessness—benefit from specialized care in Brilliant Corners' home-like living environments.

Clearinghouse CDFI provided \$600,000 in financing for Brilliant Corners to acquire a single-family home in Sheridan, CA for use as supportive housing.

The newly renovated home will offer enhanced behavioral support for 4 adults with developmental disabilities. 24-hour care and a secure, service enriched living environment will be provided for residents.

Clearinghouse CDFI addresses unmet credit needs nationwide and in Indian Country through direct lending, equity investments, and financial assistance.

We bridge the financing gap between lending standards & the needs of low-income and distressed communities.
