TECS is in its 16th year of operations. The school offers a college credit dual-enrollment program for its high school students. This allows students to graduate with at least 24 college credits, making the transition from high school to college easier, less costly, and more likely for at-risk students.

Clearinghouse CDFI addresses unmet credit needs nationwide and in Indian Country through direct lending, equity investments, and financial assistance.

We bridge the financing gap between conventional lending standards & the needs of low-income and distressed communities.
