Keoni Gray – Professional Summary

Clearinghouse CDFI proudly welcomes new Business Development Officer Keoni Gray. With 17 years of experience in banking, financial services, and community development, Keoni brings valuable expertise to the team. He is a strong advocate for fair access to economic opportunities and understands the importance of comprehensive support addressing the development barriers faced by distressed individuals and communities. Outside of work, Keoni enjoys spending his free time with family, listening to live music, attending sporting events, and continuously expanding his knowledge and skills.

In his new role as Business Development Officer at CCDFI, Keoni leverages his experience and financial expertise to assist underserved communities nationwide. He generates loan leads, gathers appropriate due diligence and information related to loan requests, and performs limited analysis. He is also responsible for promoting and integrating Clearinghouse CDFI throughout our communities.

Welcome to Clearinghouse CDFI, Keoni!
