Special Service for Groups – APCTC Center

West Covina, CA

CCDFI Loan: \$1.4 million

Impact:

- Supports culturally and linguistically appropriate mental health services for low-income individuals and families
- Stabilizes a vital outpatient care site to ensure continuity of treatment and medication support

Financing Supports Community Mental Health Center

Clearinghouse CDFI provided financing to advance the mission of the [Asian Pacific Counseling and Treatment Centers \(APCTC\)](#) division of [Special Service for Groups \(SSG\)](#), which delivers essential mental health services to the community. This center provides counseling, case management, and medication support for low-income individuals and families, offering care in multiple languages to ensure no one is left behind.

This financing supports SSG's existing facility operations and the continuation of its longstanding mission to provide community-based services. Through APCTC, the organization delivers culturally responsive care that promotes recovery and supports lasting community well-being.

Clearinghouse CDFI addresses unmet credit needs nationwide and in Indian Country through direct lending, equity investments, and financial assistance.

*We bridge the financing gap between conventional lending standards
& the needs of low-income and distressed communities.*
