CCDFI Loan:
\$1.425 million

Clearinghouse CDFI Finances State-of-the-Art STEAM Center Expansion

Impact:

- Establishes a two-story STEAM center serving up to 450 students
- Retains 47 jobs and creates five new positions
- Expands enrollment capacity, strengthening long-term financial sustainability

Clearinghouse CDFI provided \$1,425,000 in financing to support campus expansion and facility improvements at the [Cristo Rey Fort Worth college preparatory school](#) campus. The project creates a state-of-the-art STEAM center designed to strengthen academic programming and position the school for long-term enrollment growth in a moderate-income census tract serving a diverse student population.

The expansion includes approximately 6,400 square feet of newly constructed space and 6,400 square feet of renovated facilities. It will transform the existing auditorium into an innovative two-story STEAM-focused learning center featuring 12 classrooms with capacity for 450 students. This represents a 175% increase over current enrollment. The project retains 47 existing jobs and creates five new positions.

Clearinghouse CDFI addresses unmet credit needs nationwide and in Indian Country through direct lending, equity investments, and financial assistance.

*We bridge the financing gap between conventional lending standards
& the needs of low-income and distressed communities.*
